Keys & Roles Web Developer, DBA

Technologies Window service, DNN, Asp.net webforms, Knockout Js, ODBC, SSIS, HTML, CSS, JScript

Database SQL SERVER 2014

Server IIS 7.0

Description GoVets is the only online marketplace where you can access millions of products from hundreds of VA-Verified Service-Disabled Veteran-Owned Small Businesses (SDVOSB). Patriotic citizens support U.S. business and thank disabled Veterans for their service by purchasing products on GoVets. Government Buyers use GoVets to perform market research and develop consistent sources of supply from SDVOSBs. Commercial Enterprises purchase on GoVets as a lower-risk way to meet supplier diversity goals and obligations. See how GoVets compares to Amazon on several features requested by our customers.

Key features of the application are:

1. Online selling, Merchant management
